CTL.000070 ControLaser HX-308 IR-IP Zoomcamera

Compact zoom camera with Full HD resolution. The HX-308 delivers either 30fps at 1080p or 60fps at 720p resolution depending on the setting. Furthermore, this camera has a 12x optical and 32x digital zoom. This makes it very well suited for surveillance applications on command vehicles or other defence vehicles. 9 built-in infrared LEDs provide optimal brightening of the images even in darkness or twilight. The range of the LEDs is up to 100m.

APPLICATIONS

Specifications	
Image Sensor	1/2" MP CMOS
Resolution	1080p
Connection	Network / CVBS
Video format	H.264, MPEG-4, MJPEG
Communication	RS-485
Protocol	Pelco-D / Pelco-P
Zoom factor	12x optical; 32x digital
Latency	200ms
IP Class	IP68
Power supply	12V DC
IP Class	IP 67
Working temperature	-20°C up to +50°C
Weight	1,4Kg
Abmessungen	126 x 105 x 124 mm

Accessory

CTL.000056

ControLaser control unit
WTX-900 PTZ
